This matter arising upon the Commission's own motion, and it appearing that subsequent to the most recent hearing herein on August 27, 1991, Bill Nickens filed a statement and exhibits intended to supplement his evidence at the hearing. Bill Nickens, having been given the opportunity to present evidence in support of his position at the hearing, the offer of additional evidence is improper at this time and should not be made a part of the record.

This Commission being otherwise sufficiently advised,

IT IS ORDERED that the tender of additional evidence by Bill Nickens on August 27, 1991 be denied and that the statement and exhibits be returned to Bill Nickens.

Done at Frankfort, Kentucky, this 2nd day of October, 1991.
