TESTING ITS LARGER METERS AND TO )  
PROVIDE LESS WATER STORAGE )

O R D E R

IT IS ORDERED that Bracken County Water District No. 1 ("Bracken No. 1") shall file the original and 12 copies of the following information with the Commission no later than May 10, 1991, with a copy to all parties of record. Bracken No. 1 shall furnish with each response the name of the witness who will be available for responding to questions concerning each item of information should a public hearing be required in this matter.

Bracken No. 1 has requested a deviation from PSC regulation 807 KAR 5:066, Section 17(1), concerning the testing of large meters. Provide the basis for requesting the deviation and explain exactly what relief is requested. In addition, provide information concerning the type, size, brand, number, and exact location of the meters which would be covered by the proposed deviation. Also state the purpose of the meters (e.g. billing customer usage, plant usage, water produced, etc.). If the meters covered by the proposed deviation are used for billing purposes, provide the customer usage and charges for the last 2 years on a monthly basis. Also provide the date when the affected meters were installed, the date of the last test, what tests were performed, and the results.

Done at Frankfort, Kentucky, this 29th day of April, 1991.
