O R D E R

IT IS ORDERED that Oldham County Water District ("Oldham District") shall file the original and eight copies of the following information with the Commission with a copy to all parties of record no later than 14 days from the date of this Order.

1. State the estimated costs associated with providing service to the Wilsons under the June 7, 1991 Agreement. Provide a breakdown of these costs.

2. Provide a complete description of all negotiations to date between Oldham District and CSX Railroad for the easement. State the date when Oldham District expects to obtain the easement.

3. State whether Oldham District has applied for an encroachment permit from the Kentucky Department of Transportation

to construct the proposed 6-inch water main. If not, state when Oldham District expects to apply for such permit.

4. State whether the Wilsons will be eligible for refund of any portion of their \$1,500 contribution should additional customers connect to the proposed 6-inch main.

5. State how many customers will be served by the 6-inch main upon its completion.

6. State whether Oldham District expects other customers to receive water service from the proposed 6-inch main in the future. Explain.

7. Explain why the proposed extension of service involves a 6-inch water main instead of a smaller line.

Done at Frankfort, Kentucky, this 9th day of July, 1991.
