

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF RATES OF THE SALEM)
TELEPHONE COMPANY) CASE NO. 91-217

O R D E R

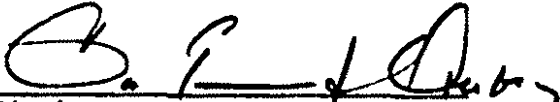

On July 26, 1991, Salem Telephone Company ("Salem") filed a motion requesting a waiver of 807 KAR 5:001, Section 6, and permitting it to use financial data outside the time frame for a test period.

807 KAR 5:001, Section 6, requires that whenever a financial exhibit is to be annexed to an application, it shall cover operations for a 12-month period ending not more than 90 days prior to the date the application is filed. However, this regulation does not apply to the time frame for the test period per se and therefore no Commission waiver on that issue is necessary.

At the time the Commission received Salem's application the financial exhibit met the 90-day requirement, and future monthly financial statement filings will serve to update this exhibit. Accordingly, the Commission, having been otherwise sufficiently advised, HEREBY ORDERS that Salem be granted a waiver from 807 KAR 5:001, Section 6.

Done at Frankfort, Kentucky, this 15th day of August, 1991.
