CASE NO. 91-247

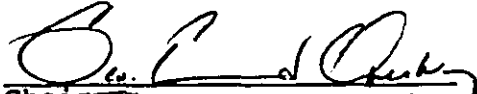

O R D E R

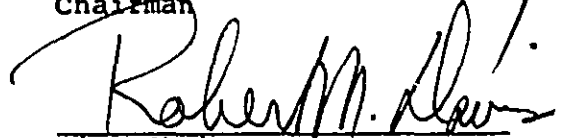

On November 20, 1991, First Kentucky Cellular Corp. ("First Kentucky") filed a letter, which the Commission will treat as a motion, requesting that the Commission's November 18, 1991 Order, granting First Kentucky a Certificate of Convenience and Necessity to operate a cellular telecommunications system and construct two cellular towers, be modified to specifically authorize the installation of a MTSO and a pre-built structure at the rear of 1629 Ohler Road, Corbin, Kentucky. These facilities were described in First Kentucky's Second Amendment and Supplement to Application, but were inadvertently omitted from the November 18, 1991 Order.

Based on the motion and finding good cause, the Commission HEREBY ORDERS that its November 18, 1991 Order be and it hereby is modified to authorize First Kentucky to install and operate a MTSO and a pre-built structure at 1629 Ohler Road, Corbin, Kentucky.

Done at Frankfort, Kentucky, this 22nd day of November, 1991.
