RE: Central Kentucky Cellular Telephone Company's application
for a Certificate of Public Convenience and Necessity

To Whom It May Concern:

This letter is in response to a letter received from Jackson
and Kelly, Attys. at Law concerning the new tower site of
Cellular One located in Shelbyville, Kentucky. We are the
adjacent land owners and also own and operate a tower for the
purpose of two way communications.

We ask only that Central Kentucky Cellular take all necessary
measures to abate harmful interference with the transmitting and
receiving of our equipment or any of our tenants equipment
because of the close proximity to our site. We will, of course
offer the same protection to their equipment.

Thank you,

Gar Davis
