SEWER DISTRICT FOR AN ADJUSTMENT OF RATES ) CASE NO.  
PURSUANT TO THE ALTERNATIVE RATE ) 91-327  
ADJUSTMENT PROCEDURE FOR SMALL UTILITIES )

O R D E R

On December 11, 1991, Alton Water and Sewer District ("Alton") filed a letter requesting that its application be held in abeyance until the Farmers Home Administration issues its amended letter of conditions regarding Alton's sewer project. Alton did not state the amount of time that this may require. The Commission is unable to hold the case in abeyance for an undetermined time due to statutory time limits imposed upon the Commission. This matter will be dismissed and Alton may refile when it receives the amended letter of conditions.

The Commission, having considered Alton's request and being otherwise sufficiently advised, HEREBY ORDERS that Alton's request that its application be held in abeyance is denied and this case be and hereby is dismissed without prejudice.

Done at Frankfort, Kentucky, this 20th day of December, 1991.
