

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

A REVIEW PURSUANT TO 807 KAR 5:058 OF )	
THE 1991 INTEGRATED RESOURCE PLAN OF )	CASE NO. 91-423
LOUISVILLE GAS AND ELECTRIC COMPANY )	

O R D E R

The Commission promulgated 807 KAR 5:058 to encourage and promote integrated resource planning by Kentucky's electric utilities. Under this regulation, Kentucky Power Company; Kentucky Utilities Company; The Union Light, Heat and Power Company; Big Rivers Electric Corporation; East Kentucky Power Cooperative, Inc.; and Louisville Gas and Electric Company will each file biennially with the Commission an integrated resource plan, which will include detailed load forecasts, resource assessment and acquisition plans, and financial information.

Section 12 of 807 KAR 5:058 requires the Commission, upon receipt of a utility's integrated resource plan, to develop a procedural schedule for review of the plan. Since Louisville Gas and Electric Company's ("LG&E") integrated resource plan review proceeding will be informal in nature due to the absence of Commission participation in the review process pursuant to 807 KAR 5:058, representatives from LG&E, other interested parties, and the Commission's Staff should try to agree to a procedural schedule at an initial conference. Therefore, an informal conference should be convened for the purposes of establishing

dates for a procedural schedule and discussing preliminary and technical issues related to the integrated resource plan under review.

The procedural schedule should include the following events:

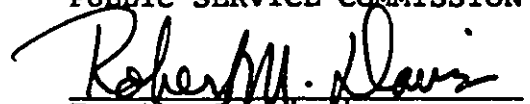

1. Written interrogatories to utility by interested parties and Commission Staff,
2. Response to written interrogatories by utility,
3. Supplemental written interrogatories to utility by interested parties and Commission Staff, if necessary,
4. Response to supplemental written interrogatories by utility,
5. Written comments to Commission Staff by interested parties and utility,
6. Informal conference.

At the conclusion of the conference, recommended procedural dates should be submitted to the Commission for inclusion in a procedural Order.

IT IS THEREFORE ORDERED that an informal conference be and it hereby is scheduled on December 13, 1991, at 9:30 a.m., Eastern Standard Time, in Conference Room 1 of the Commission's offices at 730 Schenkel Lane, Frankfort, Kentucky.

Done at Frankfort, Kentucky, this 22nd day of November, 1991.
