

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF SOUTH 641)
WATER DISTRICT FOR CERTAIN) CASE NO. 92-240
NON-RECURRING CHARGES)

O R D E R

On June 5, 1992, South 641 Water District ("South 641") submitted an application to the Commission wherein it proposed to increase the reconnection charge and meter test request charge. South 641 also proposed establishing a delinquent service charge, meter investigation charge, returned check charge, after hours fees for reconnection of service and trips to disconnect delinquent accounts.

On June 22, 1992, the Commission issued a letter requesting additional information. On July 14, 1992, South 641 filed a response that met all the minimum filing requirements.

South 641 has provided evidence of the individual expenses incurred to provide the services associated with the proposed charges.

The Commission, after reviewing the evidence of record and being sufficiently advised, finds that the proposed charges are equal to the expenses incurred to provide these services. It further finds that the proposed charges as set forth in the Appendix to this Order are fair, just, and reasonable and should be

approved with the tariff sheet filed by South 641 on September 17, 1992.

IT IS THEREFORE ORDERED that:

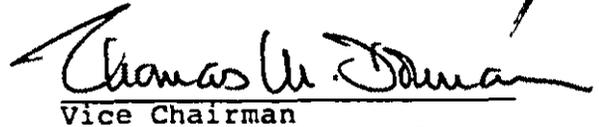

1. The tariff sheet filed by South 641 September 17, 1992 is hereby approved as filed.

2. The charges in Appendix A, which is attached hereto and incorporated herein, are approved for services rendered by South 641 on and after the date of this Order.

Done at Frankfort, Kentucky, this 1st day of October, 1992.
