This project will provide service to 152 additional customers. Project funding includes a \$416,000 loan from the Farmers Home Administration ("FmHA"), a \$244,500 Community Development Block Grant from the U.S. Department of Housing and Urban Development ("HUD"), and \$16,500 from applicants for service in the proposed project area. The loan will be for a 40-year period at an interest rate of 5 percent per annum.

Green-Taylor's application was made pursuant to KRS 278.023, which requires the Commission to accept agreements between water districts and FmHA or HUD and to issue the necessary orders to implement the terms of such agreements within 30 days of satisfactory completion of the minimum filing requirements.
