

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

INVESTIGATION INTO THE ASSIGNMENT OF) ADMINISTRATIVE
ABBREVIATED N11 DIALING CODES) CASE NO. 343

O R D E R

On October 14, 1992, this case was opened to investigate further the assignment of N11 dialing codes. The Commission ordered Infodial, Inc. ("Infodial"), American Tele-Access, Inc. ("American") and Phoneformation, Inc. ("Phoneformation"), hereinafter collectively referred to as Infodial, to file certain information with the Commission regarding their operations and reasons why they should be assigned an abbreviated N11 dialing code. Other telephone utilities were invited to participate by filing requests for intervention. Numerous parties requested and were granted intervention in this proceeding.

On November 16, 1992, Infodial responded to the Commission's October 14, 1992 order and suggested that a hearing was necessary to enable the Commission to give full and accurate consideration to the issues involved in the assignment of N11 codes. The Commission, having considered Infodial's November 16, 1992 response and the requests for intervention filed by other parties, finds that a procedural schedule should be adopted in this proceeding.

IT IS THEREFORE ORDERED that:

1. Any other party seeking an abbreviated N11 code shall file comments in response to the information filed by Infodial on

November 16, 1992, not later than 30 days from the date of this Order.

2. Any party to this proceeding may file comments regarding assignment of abbreviated N11 codes not later than 30 days from the date of this Order.

3. Any party which requests permission to issue information requests or other discovery in this proceeding shall file such request with the Commission not later than 45 days from the date of this Order.

4. If no party petitions for a public hearing within 30 days of the date of this Order, the proceeding will be decided upon the record unless the Commission determines that the issues may be more fully developed through a public hearing.

Done at Frankfort, Kentucky, this 12th day of January, 1993.
