O R D E R

On December 23, 1992, First Kentucky Cellular Corporation ("First Kentucky") filed a motion requesting that its expert witnesses Herbert C. Harris and David G. Brinker whose testimony was filed at the May 8, 1992 hearing and refiled on October 22, 1992 be excused from appearing at the January 12, 1993 rehearing. As grounds for this motion, First Kentucky states that it does not intend to present new testimony at the January 12, 1993 rehearing from these witnesses who were subject to cross-examination at the May 8, 1992 hearing and that requiring their presence at the rehearing will cause considerable expense to the company. First Kentucky requests that additional information which the Commission might require from these witnesses be submitted in writing.

The Commission, having considered First Kentucky's motion and having been further sufficiently advised, HEREBY ORDERS that Herbert Harris and David Brinker are excused from appearing at the January 12, 1993 rehearing and the testimony of these witnesses filed at the May 28, 1992 hearing will be considered as First

Kentucky's evidence for purposes of rehearing. If questions are raised at the rehearing which require a response from Herbert Harris or David Brinker, the Commission will order the information submitted through an information request.

Done at Frankfort, Kentucky, this 8th day of January, 1993.
