

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF HARRISON COUNTY RURAL )  
ELECTRIC COOPERATIVE CORPORATION TO ) CASE NO. 92-226  
ADJUST ELECTRIC RATES )

O R D E R

On August 27, 1992, Harrison County Rural Electric Cooperative Corporation ("Harrison County RECC") applied to the Commission for authority to adjust its basic rates to produce additional annual revenues in the sum of \$672,247.

Harrison County RECC is a consumer-owned rural electric cooperative organized pursuant to KRS Chapter 279 and engaged in the distribution and sale of electric energy to approximately 9,997 customers in Harrison, Bourbon, Pendleton, Bracken, Scott, Nicholas, Grant, and Robertson counties in central Kentucky.

No requests for formal intervention in this matter were received. A hearing was scheduled for January 7, 1993. Prior to that hearing, Commission Staff and Harrison County RECC entered into settlement negotiations.

As a result of these negotiations, a settlement agreement was reached and submitted to the Commission for its approval. Under the terms of that Agreement, Harrison County RECC will be granted a revenue increase of \$598,120 or 5.87 percent over normalized total operating revenue. After careful review of the Agreement, the Commission finds that the Agreement's terms are reasonable and

that its rate design and terms of service provisions are in conformity with generally accepted rate-making standards. The Commission further finds that the Agreement is in the public interest and should be accepted.

IT IS THEREFORE ORDERED that:

1. The Settlement Agreement, appended hereto as Appendix A, is incorporated into this Order as if fully set forth herein.

2. The terms and conditions set forth in the Settlement Agreement are adopted and approved.

3. The rates set forth in Appendix B to this Order are approved for service rendered on and after the date of this Order.

4. Harrison County RECC shall, within 30 days of the date of this Order, file new tariffs reflecting the provisions of this Order.

5. The approval of the Settlement Agreement shall be for purposes of this proceeding only and shall not be deemed to be binding upon the signatories in any other Commission proceeding nor shall it be offered or relied upon in any other Commission proceeding.
