

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF SOUTH CENTRAL)
BELL TELEPHONE COMPANY'S PROPOSED)
REVISIONS TO ITS KENTUCKY INTRASTATE) CASE NO. 92-315
ACCESS TARIFF, P.S.C. KENTUCKY)
TARIFF 2E)

O R D E R

On July 2, 1992, BellSouth Telecommunications, Inc. d/b/a South Central Bell Telephone Company ("South Central Bell") filed a proposed tariff for revisions to its intrastate access tariff, 2E, introducing Open Network Architecture. The proposed tariff was suspended on July 31, 1992, pursuant to a request for intervention from MCI Telecommunications Corporation ("MCI"). Subsequently, AT&T Communications of the South Central States, Inc. ("AT&T") and AmeriCall Systems, Inc. ("AmeriCall") requested and were granted intervention. On December 9, 1992, AT&T and MCI filed motions of withdrawal of intervention. AmeriCall has filed no comments, though it has been given such opportunity.

The Commission, having considered these motions and having considered the record of this proceeding, finds that such motions should be approved. Further, the Commission finds that South Central Bell's tariff should be approved. Approval of the tariff herein does not foreclose the possibility of conducting a generic proceeding on Open Network Architecture in the future. AT&T, or

any person, may make a formal application for Commission review of Open Network Architecture applications at any time.

IT IS THEREFORE ORDERED that:

1. The motions of AT&T and MCI are granted.
2. South Central Bell's tariff regarding intrastate access services, filed July 2, 1992 and supplemented September 28, 1992, are approved for service rendered on and after the date of this Order.

Done at Frankfort, Kentucky, this 13th day of January, 1993.
