O R D E R

On March 26, 1993, the Commission issued an Order granting the Intervenor's request to take video depositions of its witnesses. The Order required that the video depositions be served on opposing counsel and the Commission no later than April 2, 1993. On March 31, 1993, the Intervenor filed a motion requesting an extension of time to April 6, 1993 in which to take the video depositions and further requesting that the video depositions be served on opposing counsel and the Commission by noon on April 7, 1993.

After considering the motion and being otherwise sufficiently advised, the Commission finds that good cause exists to grant the Intervenor's motion.

IT IS THEREFORE ORDERED that:

1. The Intervenor's motion is granted and the time for taking video depositions is extended to April 6, 1993.
2. Any video depositions of witnesses to be shown as part of the public hearing shall be served on opposing counsel and the Commission no later than noon on April 7, 1993. Failure of any party to serve video tapes on opposing counsel may be considered

sufficient grounds to deny admission of the tapes at the public hearing scheduled for April 8, 1993.

Done at Frankfort, Kentucky, this 1st day of April, 1993.
