ADJUSTMENT FILING OF WESTERN LEWIS- ) CASE NO. 92-331-B

O R D E R

On May 12, 1993, the Commission issued its Order in Case No. 92-331 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On June 4, 1993, Western Lewis-Rectorville Water and Gas District ("Western Lewis") notified the Commission that its wholesale cost of gas was increased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective May 1, 1993, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

proposed in this case will not take effect and will, in fact, be superseded by Western Lewis's June 7, 1993 filing.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Western Lewis's notice of June 4, 1993 set out certain revisions in rates which Western Lewis proposed to place into effect, said rates being designed to pass on the wholesale increase in price from its supplier, Transmission.

2. Transmission applied with the Federal Energy Regulatory Commission for increased rates with an effective date of May 1, 1993.

3. Western Lewis's filing dated June 7, 1993 for revised rates based on Transmission's tariff effective June 1, 1993 supersedes the instant filing. The rates proposed by Western Lewis should, therefore, be denied.

IT IS THEREFORE ORDERED that Western Lewis's proposed rates be and they hereby are denied.
