

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE PETITION OF AT&T COMMUNICATIONS)	
OF THE SOUTH CENTRAL STATES FOR AN)	CASE NO.
EXEMPTION FROM THE REGULATION OF)	92-405
ENHANCED SERVICES)	

O R D E R

IT IS ORDERED that AT&T Communications of the South Central States, Inc. ("AT&T") shall file the original and 10 copies of the following information with the Commission, with a copy to all parties of record, no later than June 30, 1993. If the information cannot be provided by this date, AT&T should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which the information will be furnished. Such motion will be considered by the Commission. AT&T shall furnish with each response the name of the witness who will be available at the public hearing for responding to questions concerning each item of information requested.

1. AT&T shall link the information provided in its May 19, 1993 response to the specific criteria in KRS 278.512(3)(a)-(1). If possible, the information should be Kentucky specific.

2. Assume an AT&T customer who is a Kentucky resident has a voice mailbox and wants to retrieve a message:

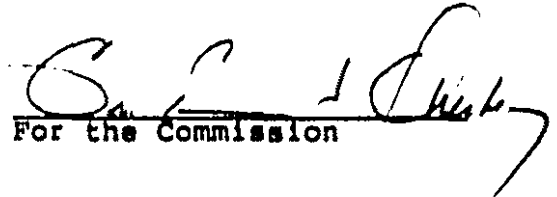

a. Does AT&T have the ability to determine that the origin of a call going to a Kentucky resident's mailbox is intrastate and that the mailbox owner retrieves the message from a

location in Kentucky? Presume that a mailbox owner away from home and making a toll call to check messages will use a calling card. Explain.

b. If AT&T does not have the ability to verify the origin of the call made to retrieve a message, do the LEC switches and/or AT&T's switches have the ability? Explain.

Done at Frankfort, Kentucky, this 9th day of June, 1993.
