

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE PETITION OF BOONE COUNTY WATER AND )  
SEWER DISTRICT FOR APPROVAL OF A )  
CERTIFICATE OF CONVENIENCE AND NECESSITY ) CASE NO. 92-532  
TO CONSTRUCT SANITARY SEWER FACILITIES )

O R D E R

The Commission, on its own motion, HEREBY ORDERS AND COMPELS Boone County Water and Sewer District ("Boone District") to file the original and 8 copies of the following information with the Commission, within 20 days from the date of this Order, with a copy to all parties of record. Each copy of the data requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure its legibility.

1. Provide a detailed depreciation schedule of the proposed facilities. List all major components separately. If actual cost of each component is not known, provide estimated cost.

2. a. List all of the proposed facilities (e.g., trunklines, pump stations, force mains) which Boone District will operate and maintain.

b. List all of the proposed facilities (e.g., trunklines, pump stations, force mains) which Sanitation District No. 1 of Campbell and Kenton Counties will operate and maintain.

3. a. State how Boone District intends to pay the proposed facilities' estimated \$8.5 million cost.

b. If Boone District has yet to determine how to pay this cost, then describe all methods of payment which are under consideration. Provide all studies, correspondence, and internal memoranda which discuss these methods.

4. Provide a copy of the preliminary and final engineering reports for the proposed facilities. If Boone District is relying upon the Black and Veatch Sewer System Master Plan, provide the original plan and all revisions.

5. Provide a final summation of the cost of construction for each of the proposed facilities. Summation should include a breakdown of individual costs, including all capitalized costs (i.e., construction, engineering, legal, administrative).

Done at Frankfort, Kentucky, this 17th day of June, 1993.
