On November 20, 1992, GTE South Incorporated ("GTE") filed a proposed tariff for two plans: GTE Discount Calling Plans and GTE Between Friends Service. The tariff was suspended until May 19, 1993. MCI Telecommunications Corporation requested and was granted intervention in this proceeding.

The Commission, on its own motion, schedules an informal conference for the purpose of addressing all issues relevant to this proceeding. Especially to be discussed is the issue of whether GTE may provide this toll service without first having requested to be an "A" carrier pursuant to the Commission's Order in Administrative Case No. 323, Phase I.¹
