

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

GTE SOUTH INCORPORATED TARIFF FILING )  
TO OFFER GTE DISCOUNT CALLING PLANS ) CASE NO. 92-550  
AND GTE BETWEEN FRIENDS SERVICE )

O R D E R

On November 20, 1992, GTE South Incorporated ("GTE South") filed a proposed tariff to offer GTE Discount Calling Plans and GTE Between Friends Service. GTE South proposed that the tariff become effective on and after December 20, 1992. By Order dated December 18, 1992, the Commission suspended the proposed tariff for five months up to and including May 19, 1993. MCI Telecommunications Corporation and LDDS of Kentucky, Inc. both requested and were granted intervention.

By Order dated January 26, 1993, the Commission scheduled an informal conference for February 24, 1993 for the purpose of addressing all issues relevant to this proceeding, specifically whether GTE South may provide toll service without first having requested to be a Category A toll carrier. On February 2, 1993, GTE South filed a motion to withdraw the proposed tariff filing.

After considering the motion and being otherwise sufficiently advised, the Commission finds that good cause exists to grant GTE South's motion and to cancel the February 24, 1993 informal conference.

IT IS THEREFORE ORDERED that:

1. GTE South's motion to withdraw its proposed tariff is hereby granted and this proceeding is accordingly closed.

2. The informal conference scheduled for February 24, 1993 is hereby cancelled.

Done at Frankfort, Kentucky, this 9th day of February, 1993.
