

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF SIMPSON COUNTY WATER )  
DISTRICT TO CONSTRUCT, FINANCE AND ADJUST ) CASE NO. 93-054  
RATES PURSUANT TO KRS 278.023 )

O R D E R

On March 15, 1993, the city of Franklin, Kentucky, Charles McCutchen and Dudley Simpler filed a motion to intervene and a request for rehearing in the above-styled case. However, four days prior to this filing, the Commission entered its final Order in this proceeding pursuant to KRS 278.023 approving the application of Simpson County Water District to construct plant, finance the construction pursuant to an agreement with Farmers Home Administration ("FmHA"), and to adjust its rates.

The final order approving the application was issued on March 11, 1993 and thus there is currently no proceeding pending before the Commission into which these petitioners can intervene. Therefore, after consideration of the motion to intervene and request for rehearing, and being otherwise sufficiently advised, the Commission finds that the request to intervene should be denied and that denial of the requested intervention renders the rehearing request moot.

IT IS THEREFORE ORDERED that that motion to intervene be and it hereby is denied.

Done at Frankfort, Kentucky, this 8th day of April, 1993.
