

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF TRI-VILLAGE)
WATER DISTRICT FOR THE INCREASE)
AND ESTABLISHMENT OF CERTAIN NON-) CASE NO. 93-073
RECURRING CHARGES)

O R D E R

On March 2, 1993, Tri-Village Water District ("Tri-Village") filed an application with the Commission for authority to establish a charge of \$23 for collection of a delinquent water bill; \$29 for a meter test request; and to add the provision that the charge to hook up meters larger than 5/8 x 3/4 inch will be done at actual cost "plus 15 percent for overhead." Tri-Village further requested to increase Tap-on fees for 5/8 x 3/4 inch meters from \$375 to \$530; Service Run fees from \$10, \$15 and \$20 (depending on travel expenses) to a flat \$23; Reconnection charges from \$20 to \$33; Returned Check charges from \$5 to \$10; and Deposits for New Customers from \$25 to \$40.

Tri-Village has provided evidence of the individual expenses incurred to provide the services associated with the proposed charges. Regarding the Tap-on fee for meters larger than 5/8 x 3/4, the Commission considers overhead to be part of the actual cost to install a meter. After reviewing the evidence and being sufficiently advised, the Commission finds that the proposed charges are equal to the expenses incurred to provide the associated services. It further finds that the proposed charges as

set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix to this Order, which is attached hereto and incorporated herein, are approved for services rendered on and after the date of this Order.

2. Within 30 days of the date of this Order, Tri-Village shall file its revised tariff sheets setting forth the charges approved herein.

Done at Frankfort, Kentucky, this 13th day of April, 1993.
