O R D E R

On November 24, 1993, the Attorney General, by and through his Utility and Rate Intervention Division ("AG"), filed a motion requesting that this case be held in abeyance at least until January 21, 1994 to allow time for review of East Kentucky Power Cooperative, Inc.'s ("East Kentucky"): 1) October 1993 financial operating report; 2) projected earnings for the remaining months of 1993; 3) projected 1994 budget; and 4) future changes that, if implemented, will affect financial and operational plans. On December 1, 1993, East Kentucky responded by stating it had no objection to the motion but did not want the abeyance to be longer than that requested by the AG.

The Commission, having considered the motion and being otherwise sufficiently advised, HEREBY ORDERS that the existing procedural schedule shall be held in abeyance until January 21, 1994. Unless good cause to modify the remaining procedural events is shown by January 25, 1994, new due dates shall be assigned to those events.

Done at Frankfort, Kentucky, this

3rd day of December, 1993.
