O R D E R

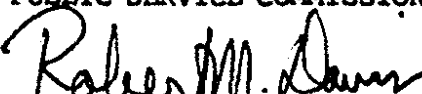

This matter arises upon the letter of Keith W. Virgin requesting to intervene in this matter. Commission Regulation 807 KAR 5:001, Section 3(8), provides that requests for intervention shall specify any special interest in the proceeding. It further provides that full intervention shall be granted if the Commission determines that a person has a special interest in the proceeding which is not otherwise adequately represented or that intervention is likely to present issues or develop facts that will assist the Commission without undue complication or disruption of the proceedings.

Since Mr. Virgin has not stated in his letter his interest in this matter, the Commission finds that Mr. Virgin has failed to demonstrate that he has a special interest in this proceeding and his request to intervene should be denied.

IT IS THEREFORE ORDERED that Mr. Virgin's request to intervene is denied.

Done at Frankfort, Kentucky, this 23rd day of September, 1993.
