

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

COVERED BRIDGE UTILITIES INC.'S)
APPLICATION FOR A CERTIFICATE OF) CASE NO. 93-275
PUBLIC CONVENIENCE AND NECESSITY)

O R D E R

On August 6, 1993, Covered Bridge Utilities Inc. ("Covered Bridge") submitted its application requesting the Commission to grant it a Certificate of Public Convenience and Necessity ("Certificate") to expand its treatment plant capacity by 100,000 gallons per day and approval of its financing plan. On October 14, 1993, the Commission issued an Order requesting Covered Bridge to file additional information.

KRS 278.300(2) requires applications for authority to issue or assume securities or evidence of indebtedness to be ruled on within 60 days unless it is necessary for good cause to continue the application. The requested information is necessary for the Commission to review and ultimately rule on Covered Bridge's financing application. Therefore, the Commission finds that good cause exists to continue the financing application beyond the 60-day period specified in KRS 278.300(2).

Upon consideration of the evidence of record and being otherwise sufficiently advised, the Commission HEREBY ORDERS that the portion of Covered Bridge's application for authorization to

incur additional indebtedness is hereby continued beyond the 60-day period specified in KRS 278.300(2).

Done at Frankfort, Kentucky, this 8th day of November, 1993.
