Big Rivers Electric Corporation ("Big Rivers") has moved for the Commission to compel the Intervenors, Kentucky Industrial Utility Customers ("KIUC") and the Attorney General ("AG"), to file briefs supporting their legal positions on the Commission's Order of September 17, 1993. The AG has responded to Big Rivers' motion.

There is no question but that the Commission would benefit from the submission of briefs outlining the parties' positions and containing supporting legal authority. The Commission finds that any party wishing to file such briefs should do so no later than November 11, 1993.

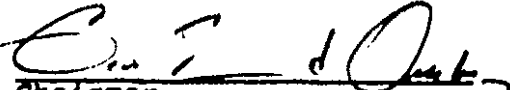

IT IS THEREFORE ORDERED that:

1. Big Rivers' Motion to Compel is denied.
2. All parties wishing to submit written briefs explaining and supporting their legal positions on the Commission's Order of September 17, 1993 shall file such briefs no later than November

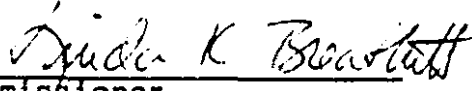

11, 1993. A copy of these briefs shall be delivered to all parties of record no later than November 11, 1993.

Done at Frankfort, Kentucky, this 4th day of November, 1993.
