

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN INVESTIGATION OF ELECTRIC RATES OF )  
LOUISVILLE GAS AND ELECTRIC COMPANY TO ) CASE NO. 10320  
IMPLEMENT A 25 PERCENT DISALLOWANCE OF )  
TRIMBLE COUNTY UNIT NO. 1 )

O R D E R

On November 8, 1993, the Commission entered an order establishing a procedural schedule in this case and ordering Louisville Gas and Electric Company ("LG&E") to address, in its initial filing, all issues which were pending when this case was last before the Commission as well as its subsequent sales of portions of the Trimble County plant. On December 27, 1993, LG&E, the Attorney General, Jefferson County, and the Metro Human Needs Alliance filed a motion seeking an Order bifurcating the proceeding. The parties seek to defer consideration of all issues relating to the mechanics of any rate refund or surcharge until the Commission has determined all other issues in this proceeding. The parties assert and the Commission finds that bifurcation in this manner would aid in the efficient processing of this case.

Having considered the motion of the parties and being otherwise sufficiently advised, the Commission HEREBY ORDERS that:

1. Subjects to be addressed by the parties under the Procedural Schedule appended to the Commission's November 8, 1993, Order shall not include issues relating to the mechanics of any

rate refund or surcharge which might result from a final determination in this case by the Commission.

2. LG&E's Motion of Withdrawal filed December 27, 1993, is granted.

Done at Frankfort, Kentucky, this 24th day of January, 1994.
