

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF PURCHASED GAS)
ADJUSTMENT FILING OF DELTA) CASE NO. 90-342-L
NATURAL GAS COMPANY, INC.)

O R D E R

On May 23, 1991, in Case No. 90-342, the Commission approved certain adjusted rates for Delta Natural Gas Company, Inc. ("Delta") and provided for their further adjustment on a quarterly basis in accordance with its gas cost adjustment ("GCA") clause.

On March 30, 1994, Delta filed its GCA to be effective from May 1, 1994 to August 1, 1994. On April 11, 1994, Delta amended its filing to reflect more current gas cost information from Tennessee Gas Pipeline.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Delta's amended notice proposed revised rates designed to pass on its expected decreased wholesale gas costs to its customers. Delta's proposed expected gas cost as amended is \$3.5469 per Mcf, excluding take-or-pay billings.

Delta's notice set out a take-or-pay recovery component of .61 cent per Mcf. Delta should be prepared to support its take-or-pay actual adjustments at the time of its GCA field reviews.

2. Delta's notice set out no current quarter refund adjustment. The total refund adjustment of 2.33 cents per Mcf reflects previous quarter adjustments.

3. Delta's notice set out a current quarter actual adjustment of 61.59 cents per Mcf to recoup unrecovered gas cost from November and December 1993 and January 1994. The proposed total actual adjustment of 48.43 cents per Mcf reflects the current under-collection as well as under- and over-collections from three previous quarters.

4. Delta's notice set out a balance adjustment of (20.03) cents per Mcf. This balance adjustment compensates for over-collections which occurred as a result of previous adjustments.

5. These adjustments produce a gas cost recovery rate ("GCR") of \$3.8137 per Mcf, 3.37 cents per Mcf more than its previous GCR.

6. Delta's rate adjustment in the Appendix to this Order is fair, just, and reasonable, in the public interest, and should be approved for final meter readings on and after May 1, 1994.

7. Delta requested confidentiality for Schedule VI, which contains business information required by the Commission pertaining to Delta's subsidiaries. Delta Resources, Inc. and Delgasco engage in unregulated, competitive activities. Competitors of these subsidiaries could use business information of these subsidiaries to place themselves in an advantageous position vis-a-vis the subsidiaries and Delta. Thus, disclosure of the information is

likely to cause Delta and these subsidiaries competitive injury and should be protected.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix to this Order are fair, just, and reasonable, and are effective for final meter readings on and after May 1, 1994.

2. Within 30 days of the date of this Order, Delta shall file with this Commission its revised tariffs setting out the rates authorized herein.

3. Schedule VI, which Delta has petitioned to be withheld from public disclosure, shall be held and retained by this Commission as confidential and shall not be open for public inspection.

Done at Frankfort, Kentucky, this 29th day of April, 1994.
