

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF THE UNION LIGHT)
HEAT AND POWER COMPANY FOR APPROVAL)
OF A GAS COST ADJUSTMENT RATE TO) CASE NO. 92-346-C
BECOME EFFECTIVE JUNE 1, 1994)

O R D E R

IT IS ORDERED that Union Light, Heat and Power Company ("ULH&P") shall file responses to the following requests for information no less than 10 days from the date of this Order.

1. Referring to Attachment 1 of ULH&P's May 20, 1994 response:

a. How were the estimated volumes available for release determined?

b. Do these capacity release arrangements result from prearranged deals or are they to be posted on the pipelines' electronic bulletin boards?

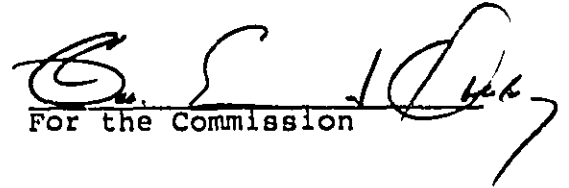

c. Are the estimated pipeline rates the maximum rates for each pipeline?

2. Is this the first capacity release arrangement undertaken by ULH&P? If not, describe the previous release arrangements and revenues involved, including the disposition of any revenues.

3. Describe the parameters of the release arrangements, including ULH&P's right to recall the capacity.

Done at Frankfort, Kentucky, this 12th day of July, 1994.
