O R D E R

On November 23, 1993, Bluegrass Long Distance, Inc. ("Bluegrass") filed an application with the Commission seeking a Certificate of Public Convenience and Necessity to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky. Bluegrass was ordered to file additional information on February 14, 1994. Bluegrass filed its response on February 24, 1994.

Bluegrass is a Kentucky corporation with its principal offices in the state of Missouri and intends to resell tariffed services of facilities-based carriers certified by this Commission. Bluegrass does not request authority to provide operator-assisted telecommunications services.

Bluegrass does not own or operate, nor does it intend to construct, any telecommunications transmission facilities within the Commonwealth of Kentucky. All intrastate telecommunications transmission services will be provided by an underlying carrier certified by this Commission.

Bluegrass filed its proposed tariff on November 23, 1993. In response to the Commission's request for additional information, Bluegrass filed revised tariff sheets on February 25, 1994. The Commission finds that Bluegrass should file a revised tariff sheet correcting the following: Refer to Original Sheet 22, Heading 6.1.2. Change the word "weed" to "week" in the first paragraph.

The application provided by Bluegrass demonstrates its financial, managerial, and technical capability to provide utility service. The Commission finds that Bluegrass should be authorized to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky. The Commission further finds that the rates proposed by Bluegrass, as revised on February 25, 1994 and with the correction set forth in this Order, should be approved as the fair, just, and reasonable rates to be charged.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Bluegrass be and it hereby is granted authority to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. Bluegrass's authority to provide service is strictly limited to those services described in this Order and Bluegrass's application.

3. IntraLATA services shall be provided in accordance with the restrictions and conditions of service contained in Administrative Case No. 323.<sup>1</sup>

4. The rates proposed by Bluegrass on November 23, 1993, as revised on February 25, 1994 and with the correction set forth in this Order, are hereby approved.

5. Within 30 days from the date of this Order, Bluegrass shall file, pursuant to 807 KAR 5:011, its November 23, 1993 tariff sheets, as revised on February 25, 1994 with the correction set forth in this Order, and which conform to the restrictions and conditions of service contained herein.

Done at Frankfort, Kentucky, this 18th day of April, 1994.
