

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF KENTUCKY UTILITIES)
COMPANY TO ASSESS A SURCHARGE UNDER KRS)
278.183 TO RECOVER COSTS OF COMPLIANCE) CASE NO. 93-465
WITH ENVIRONMENTAL REQUIREMENTS FOR COAL)
COMBUSTION WASTES AND BY-PRODUCTS)

O R D E R

On February 9, 1994, the Kentucky Industrial Utility Customers ("KIUC") filed a motion requesting full intervention in this proceeding. The motion states that KIUC is a voluntary non-profit association of large industrial electric and gas utility customers in Kentucky which represents their interests on energy and utility issues.

On February 14, 1994, Kentucky Utilities Company ("KU") filed an objection to the motion on the grounds that the motion fails to name the KIUC customers being represented. KIUC then filed a supplement identifying the customers being represented as follows: Bundy Corporation, Dow Corning Corporation, Fruit of the Loom, and Toyota Motor Manufacturing, USA.

Lexington-Fayette Urban County Government and Jerry Hammond also filed motions for intervention on February 10, 1994 and February 16, 1994, respectively.

It appearing to the Commission that Petitioners have a special interest which is not otherwise adequately represented, and that such intervention is likely to present issues and develop facts

that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings, and this Commission being otherwise sufficiently advised,

IT IS HEREBY ORDERED that:

1. The motions of Petitioners to intervene are granted.
2. Petitioners shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.
3. Should Petitioners file documents of any kind with the Commission in the course of these proceedings, they shall also serve a copy of said documents on all other parties of record.

Done at Frankfort, Kentucky, this 22nd day of February, 1994.
