O R D E R

On April 14, 1994, Contel Cellular of Kentucky, Inc. ("Contel") filed a proposed amendment to its January 5, 1994 application and a motion to cancel the hearing scheduled for April 26, 1994. By the proposed amendment, Contel requests authority to construct a 150 foot monopole rather than a 150 foot self-supporting antenna tower.

The motion to cancel the hearing states that all issues and concerns raised by the intervenors have been resolved, obviating the need for a hearing. The motion is supported by statements from the intervenors, John and Cora May and Talmadge and Martha Embry, requesting to withdraw from further participation in this case and a cancellation of the hearing.

Based on the proposed amendment and the motion, the Commission finds good cause to allow the application to be amended, to cancel the hearing and allow the intervenors to withdraw.

IT IS THEREFORE ORDERED that:

1. Contel's amended application requesting authority to construct a 150 foot monopole be and it hereby is accepted.

2. The hearing scheduled on April 26, 1994 be and it hereby is canceled.

3. The requests by John and Cora May and Talmadge and Martha Embry to withdraw as intervenors be and they hereby are granted.

Done at Frankfort, Kentucky, this 22nd day of April, 1994.
