SYSTEM)

O R D E R

On February 1, 1994, the Commission received an application from the Webster County Fiscal Court ("Webster Fiscal Court") requesting a Certificate of Public Convenience and Necessity to construct a sewer collection system. In its filing, Webster Fiscal Court requested a deviation from the requirements of 807 KAR 5:071, Section 3(1).

807 KAR 5:071, Section 3(1), requires the submission of a valid third-party beneficiary agreement guaranteeing the continued operation of the sewage treatment facilities or other evidence of financial integrity. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately Webster Fiscal Court's filing. Therefore, its request for a deviation from the above-cited regulation is granted.

IT IS THEREFORE ORDERED that Webster Fiscal Court's request for a deviation from the requirements of 807 KAR 5:071, Section 3(1), is hereby granted.

Done at Frankfort, Kentucky, this 23rd day of February, 1994.
