

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE PROPOSED TARIFF FILING OF)
WEST KENTUCKY RURAL TELEPHONE)
COOPERATIVE CORPORATION, INC.) CASE NO. 94-097
FOR PROPOSED AREA CALLING SERVICE)

O R D E R

On January 10, 1994, West Kentucky Rural Telephone Cooperative Corporation, Inc. ("West Kentucky") filed a tariff to expand its area calling service ("ACS"). This proposed tariff is filed in conjunction with BellSouth Telecommunications, Inc. d/b/a South Central Bell Telephone Company's ACS tariff which was approved on June 11, 1993 in Case No. 93-114.¹

The ACS tariff contains two options. The premium ACS allows customers to pay a monthly recurring flat rate charge which will allow calling into their extended local calling area with no additional charges. The basic ACS allows customers to pay a monthly recurring flat rate charge and per-minute-of-use-charges for calling into their extended local calling area.

The Commission, having reviewed the proposed tariff filing and being sufficiently advised, HEREBY ORDERS that:

1. West Kentucky's tariff proposal for expanded ACS is approved.

¹ Case No. 93-114, Proposed Tariff Filing of South Central Bell Telephone Company for Proposed Area Calling Service Expansion.

2. West Kentucky shall gather 12 months of Kentucky-specific data for this expanded ACS as necessary to demonstrate the reasonableness and accuracy of the model forecast and calling option prices. West Kentucky shall file this information with the Commission within 15 months of the date of this Order and submit any proposed changes to the ACS rates.

Done at Frankfort, Kentucky, this 11th day of March, 1994.
