O R D E R

On April 15, 1994, White Hall Water District ("White Hall Water") applied to the Commission for authority to issue certain securities for the purpose of refunding outstanding waterworks revenue bonds. In its filing, White Hall Water requested a deviation from the requirements of 807 KAR 5:001, Sections 6(5), 6(7), and 6(9).

807 KAR 5:001, Section 6, requires that a financial exhibit covering operations for a 12-month period ending not more than 90 days prior to the date the application is filed be attached to the application. Specifically, Section 6(5) requires that the financial exhibit disclose the amount of bonds authorized and amount of bonds issued; Section 6(7) requires disclosure of other indebtedness; and Section 6(9) requires a detailed income statement and balance sheet. Each of these items is adequately reflected in White Hall Water's most recent annual report on file with the Commission as is current as of December 31, 1993. Therefore, its request for a deviation from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that White Hall Water's request for a deviation from the requirements of 807 KAR 5:001, Sections 6(5), 6(7), and 6(9), is hereby granted.

Done at Frankfort, Kentucky, this 27th day of April, 1994.
