BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF INTENT OF KENTUCKY-	)	
AMERICAN WATER COMPANY TO FILE AN	)	CASE NO.
APPLICATION FOR AN INCREASE IN	)	94-197
RATES	)	

O R D E R

On June 29, 1994, Kentucky-American Water Company ("Kentucky-American") delivered to the Commission an Interruptible and Inverted Rate Cost Analysis that it was directed to perform by the Commission's November 19, 1993 Order in Case No. 92-452.<sup>1</sup> That Order, at page 48, set forth four specific studies to be done by Kentucky-American prior to filing its next rate case. Two of those studies, addressing monthly and bimonthly meter reading and billing, have been filed as part of the instant rate case, Kentucky-American's first since the conclusion of Case No. 92-452. Since the other two studies, addressing interruptible and inverted rates, directly relate to Kentucky-American's rate design, the Commission finds that they should similarly be a part of the instant case.

IT IS THEREFORE ORDERED that:

1. Kentucky-American's Interruptible and Inverted Rate Cost Analysis be and it hereby is filed as a part of this case.

<sup>1</sup> Case No. 92-452, Notice of Adjustment of the Rates of Kentucky-American Water Company.

2. Within 10 days from the date of this Order, Kentucky-American: (a) shall file the name(s) of the individual(s) who will testify in support of the analysis; and (b) may file additional testimony limited to the issues addressed in the analysis.

Done at Frankfort, Kentucky, this 1st day of July, 1994.
