SOUTH LOGAN WATER ASSOCIATION)
REQUEST TO INCREASE SERVICE)
CONNECTION CHARGES) CASE NO. 94-240

O R D E R

On July 6, 1994, South Logan Water Association ("South Logan") filed an application with the Public Service Commission ("Commission") seeking to increase its charge for installation of meter service.

South Logan contracts with the city of Adairville ("Adairville") for the installation of new water service to the South Logan system. By letter dated June 13, 1994, Adairville notified South Logan that due to increases in material and labor cost, the charge for this service would be increased.

As the proposed rates are based on contract prices, are reasonable, and do not affect any existing customers, it is recommended that they be approved.

IT IS THEREFORE ORDERED that:

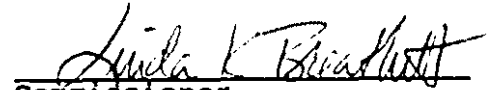

1. The rates proposed by South Logan are hereby approved.
2. The tariff filed by South Logan is approved.
3. Within 30 days of the date of this Order, South Logan shall file verification that the notice to its customers has been given.

Done at Frankfort, Kentucky, this 11th day of August, 1994.
