O R D E R

On September 27, 1994, the Commission entered an Order in this proceeding directing Beaver-Elkhorn Water District ("Beaver-Elkhorn") to amend its filing to include rate schedules, financial exhibits, or financing documents to meet the minimum filing requirements prescribed by 807 KAR 5:001, Sections 6, 8, 10, and 11, for rate increases and financing applications. On October 18, 1994, Beaver-Elkhorn filed a motion requesting an extension of time until December 12, 1994 in which to comply with the Commission's September 27, 1994 Order.

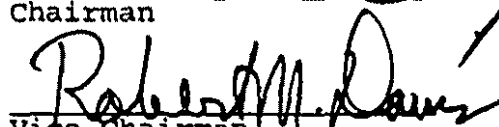

After having considered the motion and being otherwise sufficiently advised, the Commission finds that the motion should be denied. When and if the rate schedules, financial exhibits, or financing documents are available for the Commission's review, Beaver-Elkhorn may refile for Commission approval.

IT IS THEREFORE ORDERED that this case is dismissed without prejudice.

Done at Frankfort, Kentucky, this 3rd day of November, 1994.
