

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF)	
BOONE COUNTY WATER AND SEWER)	CASE NO. 94-444
DISTRICT)	

O R D E R

On November 30, 1994, Boone County Water and Sewer District ("Boone County") filed its application with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure. (KRS 278.015 and 807 KAR 5:068.)

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. Boone County purchases water from the Kenton County Water District ("Kenton County").

2. Effective October 1, 1994, Kenton County increased its rates for wholesale water from \$1.12 per 1,000 gallons to \$1.28 per 1,000 gallons.

3. Boone County proposed to increase the water rates to its customers effective November 30, 1994.

4. During the 12 months ending October 31, 1994, Boone County purchased 1,175,066,000 gallons of water and sold 1,056,746,000 gallons.

5. Boone County's calculations are correct and show an increase in purchased water cost of \$188,010, resulting in a

purchased water adjustment of 18 cents per 1,000 gallons. Based on an average monthly usage of 5,000 gallons, the average bill of Boone County's customers would increase 90 cents from \$16.45 to \$17.35 or 5 percent.

6. The purchased water adjustment of 18 cents per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The purchased water adjustment of 18 cents per 1,000 gallons and the rates in Appendix A are approved for services rendered on and after November 30, 1994.

2. Boone County's proposed tariff is approved.

3. Within 30 days of the date of this Order, Boone County shall file verification that the notice to its customers has been given.

Done at Frankfort, Kentucky, this 16th day of December, 1994.
