

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF SANDY VALLEY)
WATER DISTRICT FOR CERTAIN) CASE NO. 94-446
NON-RECURRING CHARGES)

O R D E R

On November 18, 1994, Sandy Valley Water District ("Sandy Valley") applied to the Commission for approval to adjust its rates for certain non-recurring charges. In its filing, Sandy Valley requested a deviation from the requirements of 807 KAR 5:011, Section 10(1)(c) and (1)(e), and Section 10(2).

807 KAR 5:011, Section 10(1)(c), requires a statement explaining why the proposed changes could not have been included in the last rate case and why current conditions prevent deferring the change until the next rate case. Section 10(1)(e) requires an income statement and balance sheet for a recent 12-month period. Section 10(2) requires additional information if the additional revenue to be generated from the proposed tariff revisions exceeds 5 percent the total revenues provided by all miscellaneous and non-recurring charges for a 12-month period. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to review adequately Sandy Valley's filing. Therefore, its request for a deviation from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that Sandy Valley's request for a deviation from the requirements of 807 KAR 5:011, Section 10(1)(c) and (1)(e), and Section 10(2), is hereby granted.

Done at Frankfort, Kentucky, this 9th day of December, 1994.
