

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF INACOM COMMUNICATIONS, ) CASE NO.  
INC. FOR A CERTIFICATE TO RESELL ) 94-447  
TELECOMMUNICATIONS SERVICE )

O R D E R

On December 9, 1994, Inacom Communications, Inc. ("Inacom") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate, long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

Inacom is a Nebraska corporation proposing to resell the services of carriers currently certified within the Commonwealth of Kentucky in accordance with the terms and conditions set forth in its tariff. Inacom does not seek authority to provide operator-assisted telecommunications services.

Inacom employs no intrastate transmission or reception telecommunications equipment or facilities in the performance of its services, and all intrastate facilities, equipment, and networking will be provided by the underlying carrier. Inacom will not construct any new facilities in the Commonwealth of Kentucky.

The information provided by Inacom demonstrates its financial, managerial, and technical capability to provide intrastate, long-distance telecommunications service. The proposed rates filed December 9, 1994 should be approved as the fair, just and reasonable rates to be charged.

In Administrative Case No. 306,<sup>1</sup> the Commission stated the importance of eliminating possible customer confusion arising from the name of the billing service, rather than the name of the provider of telecommunications services, appearing on the bill. Accordingly, Inacom should ensure that its name appears prominently on all bills issued to customers for services rendered by it.

The Commission, having considered the application, the information provided by Inacom, and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Inacom be and it hereby is granted authority to provide intrastate, long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. Inacom shall comply with the provisions of the Orders in Administrative Case No. 323.<sup>2</sup>

3. Inacom shall ensure that its name appears prominently on all bills issued to customers for services rendered by it.

4. Inacom's authority to provide service in this Commonwealth is strictly limited to those services described in this Order and in Inacom's application.

5. The rates and charges proposed by Inacom are hereby approved as filed on December 9, 1994.

6. Within 30 days from the date of this Order, Inacom shall file its tariff sheets in accordance with 807 KAR 5:011.
