FUEL ADJUSTMENT CLAUSE OF BIG SANDY)	CASE NO. 94-464
RURAL ELECTRIC COOPERATIVE CORPORATION)	
FROM NOVEMBER 1, 1992 TO OCTOBER 31,)	
1994)	

ORDER

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 14, 1994 established this case to review and evaluate the operation of the Fuel Adjustment Clause ("FAC") of Big Sandy Rural Electric Cooperative Corporation ("Big Sandy") for the two years ended October 31, 1994.

As part of this review, the Commission ordered Big Sandy to submit certain information and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Big Sandy has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. Big Sandy has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

2. East Kentucky Power Cooperative, Inc. ("EKPC"), the wholesale supplier of Big Sandy, has been authorized to retain its present base fuel cost of 12.71 mills per KWH; therefore, no change is required to Big Sandy's base fuel cost.

IT IS THEREFORE ORDERED that the charges and credits applied by Big Sandy through the FAC for the period of November 1, 1992 through October 31, 1994 be and they hereby are approved.

Done at Frankfort, Kentucky, this 11th day of April, 1995.
