PURSUANT TO THE ALTERNATIVE RATE) CASE NO. 94-497
FILING PROCEDURE FOR SMALL UTILITIES)

O R D E R

On December 7, 1994, Symsonia Sewer District ("Symsonia") filed an application with the Kentucky Public Service Commission ("Commission") pursuant to 807 KAR 5:076 seeking approval to increase its tariffed sewer rates by 25 percent. The proposed rates would generate additional annual revenues of \$12,126.

On August 2-3, 1994, Commission Staff conducted a field review of Symsonia's test-period financial records. Based upon this review, Commission Staff issued a report on February 7, 1995, recommending that Symsonia be allowed to increase its annual operating revenues by the requested amount of \$12,126.

By Order dated February 7, 1995, the Commission advised Symsonia that comments on the Staff Report or requests for a public hearing must be submitted no later than February 22, 1995, or this case would stand submitted to the Commission for decision. No comments or requests for a hearing have been filed.

The Commission, after consideration of the evidence of record and being sufficiently advised, finds that:

1. The recommendations and findings contained in the Staff Report are supported by the evidence of record, are reasonable, and

are hereby adopted as the findings of the Commission in this proceeding and are incorporated by reference as if fully set out herein.

2. The rates in Appendix A, which is attached hereto and incorporated herein, are the fair, just, and reasonable rates for Symsonia and will produce gross annual sewer revenues of \$60,114. These rates will allow Symsonia sufficient revenues to meet its operating expenses.

IT IS THEREFORE ORDERED that:

1. The rates in Appendix A are approved for service rendered by Symsonia on and after the date of this Order.

2. Within 30 days of the date of this Order, Symsonia shall file with the Commission its revised tariff setting out the rates approved herein in conformance with 807 KAR 5:011.
