## ORDER

On March 14, 1995, Contel Cellular of Kentucky, Inc. ("Contel Cellular") filed with the Commission a motion to continue the hearing scheduled for March 20, 1995 in the matter of Contel Cellular's application to construct a cellular facility in Cynthiana, Kentucky. Contel Cellular states that it is seeking an alternative location for the proposed facility and that it should know on or before April 15, 1995, whether an alternative site will be suitable. On or before that date, Contel Cellular will move either to have the hearing rescheduled or to have its application dismissed. No objections to Contel Cellular's motion for continuance have been filed.

The Commission finds that Contel Cellular's motion is reasonable and that it should be granted. The Commission also finds that, until such time as a new hearing date is scheduled, it is unnecessary for the parties to adhere to the procedural schedule established by the Commission in its Order of February 23, 1995.

Motion having been made, and the Commission having been advised, IT IS HEREBY ORDERED that

- 1. The hearing scheduled for Monday, March 20, at 10:30 a.m. is canceled.
- 2. The procedural schedule established by Order of the Commission on February 23, 1995 is hereby canceled.
- 3. By April 15, 1995, Contel Cellular shall inform the Commission and the parties hereto whether it will move for dismissal of its application herein or whether it will move to reschedule the hearing.

Done at Frankfort, Kentucky, this 15th day of March, 1995.
