

On January 19, 1995, the Commission issued an Order directing, inter alia, Target Telecom to appear at a hearing on February 27, 1995 to show cause why it should not be penalized under KRS 278.990 for its apparent violation of KRS 278.020 and KRS 278.160.

On February 6, 1995, Target Telecom filed a statement of its intent to cease charging for any intrastate telecommunications services within the Commonwealth of Kentucky. Attached to this statement is a list of Target Telecom's Kentucky customers, their addresses, phone numbers, and amounts of monthly intrastate usage billed and collected from the respective inceptions of their service. Target Telecom further states that each Kentucky customer will be refunded the total billed to him for intrastate calls during the period that Target Telecom lacks a Certificate of Public Convenience and Necessity. Target Telecom's statement and attached list of Kentucky customers is attached as Exhibit A. Target Telecom has also submitted to the Commission a check in the amount of \$100. Target Telecom has requested that its refunds to Kentucky customers, together with its payment of a \$100 penalty, be accepted by the Commission as full settlement of this proceeding.

The Commission finds that the terms of settlement requested by Target Telecom are reasonable and constitute an expeditious and cost-effective manner of resolving this case.

IT IS THEREFORE ORDERED that:

1. The hearing scheduled for February 27, 1995, at 10:00 a.m., Eastern Standard Time, in the Commission's offices, is hereby cancelled.

2. This case is hereby dismissed.

Done at Frankfort, Kentucky, this 22nd day of February, 1995

*Case No. 95-013*

**RECEIVED**

FEB 06 1994

PUBLIC SERVICE  
COMMISSION

Dear Mr. Mills,

Persuant to your Case No. 95-013, Investigation into the Alleged Violation of KRS 278.020 and KRS 278.160 we are submitting a report listing all Target Telecom, Inc. Kentucky end users, their address, phone number and the amount of each end user monthly intrastate billed and collected usage from the inception of their service.

Target Telecom, Inc. will comply with the request of the commission by crediting each Kentucky end user for the total amount that the end user was billed for all intrastate transport and will continue to credit the end user up to the date that the commission elects to grant or deny our application and tariff for a Certificate of Public Convenience and Necessity. The credit will be issued on the February 1995 long distance invoice to each end user. If the end user is no longer a customer of Target Telecom, Inc. then we will rebate the end user by sending a check to the end user in the amount of paid intrastate usage and forward to the commission a copy of the disbursed check.

If the commission requires additional information or if this correspondence does not satisfy the commissions request please contact me at 1-800-569-1908, Ext. 130.

Very truly yours,  
TARGET TELECOM, INC.
