As a prospective buyer of
a Condominium (having selected
a site and put a deposit on same)
in Ashwood Bluffs, I strongly
oppose the installation of the
proposed Cellular Radio Tower.

This is a nice, quite and
prestigious neighborhood that
would be spoiled by such an
installation.

Dear Mr. Mills:

I wish to protest the erection of a cellular radio tower by Mr. Kingsley Stratton on the Rudy Lane property adjacent to the Ashwood Bluff Condominium in Louisville. My wife and I placed a deposit towards the purchase of a unit in this condominium last fall. At that time no such structure was even contemplated and had we known of such a proposal we would have been more cautious and less enthusiastic about moving into Ashwood Bluff. We are certain that the quality and value of our new property will be seriously compromised by Mr. Stratton's tower.

We urge the Public Service Commission to reject the proposal.

Thank you for your assistance.

Yours truly,

Robert L. Weaver

Dear Mr. Mills:

On behalf of my client who has purchased a Condo in Ashwood Bluff, we are protesting the impending cellular tower, which Mr. Kingsley Stratton has proposed on the adjoining property on Rudy lane in Louisville.

This will detract from the appearance of the property, and shall become an eyesore.

Please do not allow this tower to be constructed.

Dear Mr. Mills,

Mr. Husband and I recently signed a contract to purchase an expensive Condominium from Poly Lane, Inc. adjacent to Windy Falls Subdivision. We have, now, been advised that Mr. Kasey Stutton has proposed a Cellular Radio Tower to you, on adjacent property. This was not, it seems, included in his original proposal for development of adjacent property.

We object very strongly to Mr. Stutton's new proposal as an intrusion on the property owners of a quite upscale neighborhood.

Thank you for your consideration of our complaint.

Sincerely,

Mary B. Kayse

I WOULD LIKE TO EXPRESS MY DISAPPROVAL OF THE INSTALLATION OF A CELLULAR RADIO TOWER PROPOSED BY MR. KINGSLEY STRATTON, THE DEVELOPER OF THE ADJACENT PROPERTY.

ON NOVEMBER 21, 1994 I SIGNED A CONTRACT TO PURCHASE A PATIO HOME, WHICH IS UNDER CONSTRUCTION AT THIS TIME. THE COMMUNITY WILL BE CALLED ASHWOOD BLUFF CONDOMINIUM WHICH IS ADJACENT TO THE PROPOSED SITE. THE DISTANCE FROM THE TOWER WILL BE APPROXIMATELY 300 FEET FROM MY UNIT. THE UNIT I PURCHASED IS IN THE UPPER PRICE RANGE AND IN AN ESTABLISHED NEIGHBORHOOD. MR. STRATTON COULD GREATLY PROFIT FROM HIS PROPOSED PROJECT WHILE OTHERS BUFFER FROM COMMERCIAL VENTURES AND A POSSIBLE HEALTH HAZARD.
