On March 23, 1995, Crittenden-Livingston County Water District ("Crittenden-Livingston") filed an application for a Certificate of Public Convenience and Necessity to construct a \$1,323,000 water-works improvement project, for approval of its plan of financing for this project, and for adjustments to its water service rates. This project will provide service to 217 additional customers. Project funding includes a \$984,000 bond issue to be purchased pursuant to an agreement with the U. S. Department of Agriculture's Rural Economic and Community Development ("RECD"), formerly known as Farmers Home Administration, a \$295,600 grant from RECD, and \$43,400 from applicants for service in the project area.

Crittenden-Livingston's application was made pursuant to KRS 278.023, which requires the Commission to accept agreements between water utilities and the U. S. Department of Agriculture and to issue the necessary orders to implement the terms of such agreements within 30 days of satisfactory completion of the minimum filing requirements. 2. Crittenden-Livingston's proposed plan of financing with RECD is accepted.

7. Crittenden-Livingston shall monitor the adequacies of the expanded water distribution system after construction. If the level of service is inadequate or declining or the pressure to any customer falls outside the requirements of 807 KAR 5:066, Section

Nothing contained herein shall be deemed a warranty of the Commonwealth of Kentucky, or any agency thereof, of the financing herein accepted.
