O R D E R

This case is established for the sole purpose of considering a Settlement Agreement entered between Commission Staff and Henderson County Water District ("Henderson"). The Settlement Agreement arises as a result of several discussions between Henderson and Commission Staff regarding Henderson's failure: 1) to file a copy of its inspection procedures with the Commission for review -- a violation of 807 KAR 5:006, Section 25(1); 2) to have written complaints that contain information on the final adjustment or disposition of the complaint -- a violation of 807 KAR 5:006, Section 9; and 3) to keep appropriate records to identify the inspection procedures made, deficiencies found and action taken to correct the deficiencies -- a violation of 807 KAR 5:006, Section 25(3). As a result of their discussions, Commission Staff and Henderson have agreed to a penalty in the amount of \$200.00 payable in full to the Kentucky State Treasurer within ten days from the date of this Order.

After consideration of the Settlement Agreement, its terms and the severity of the violations addressed therein, the Commission finds that the Settlement Agreement represents a reasonable resolution of our informal investigation and should, therefore, be approved.

IT IS THEREFORE ORDERED that:

1. The Settlement Agreement, attached hereto and incorporated herein as Appendix A, be and it hereby is adopted and approved in its entirety as a complete resolution of all issues and charges in this case.

2. Henderson is hereby assessed a penalty of \$200.00 which shall be paid by certified check or money order made payable to the Kentucky State Treasurer within ten days from the date of this Order and mailed to the Office of General Counsel, Public Service Commission, P.O. Box 615, Frankfort, Kentucky 40602.
