O R D E R

On April 11, 1995 and April 21, 1995, Levee Road Water Association ("Levee") filed letters of response to the Commission's show cause order. In the letters, which the Commission treats as motions, Levee states that it is now in full compliance with the requirements of 807 KAR 5:066 and requests that the hearing scheduled for June 1, 1995 be postponed. In support of its motions, Levee claims that it has submitted the required quarterly reports.

Having reviewed Levee's response and being otherwise sufficiently advised, the Commission finds that the outstanding issues that would have been addressed at an informal conference have been addressed in telephone conversations between Commission Staff and Brenda Murphy of Levee. As a result of understandings reached during those conversations, negotiation between Commission Staff and Levee has begun to resolve the matter of Levee's alleged violation of Commission Regulation 807 KAR 5:066.

IT IS THEREFORE ORDERED that the hearing scheduled for June 1, 1995 be and it hereby is postponed.

Done at Frankfort, Kentucky, this 26th day of May, 1995.
