Dear Sir,

This letter is to state my opposition on the Kentucky CGSA tower to be erected in the Middletown area, case # 95-507. I am a property owner at 11601 Shelbyville road. Currently there is not enough information for me to make a clear decision on my feelings about this project and I would like to see an intervention until more information can be received. I would also like to request a public hearing on this matter to find out how other property owners feel about this issue in the general area.

Your help on this matter would be greatly appreciated. You can reach me at 502-581-1004 ext 103.

Sincerely,

J. Kevin Roppel
